I, Franklin Nunez, have been advised and understand that I am entitled by law to a hearing and assistance of counsel before any unfavorable change may be made in my Conditions of Supervised Release. By assistance of counsel, I understand that I have the right to be represented at the hearing by counsel of my own choosing if I am able to retain counsel. I also understand that I have the right to request the Court to appoint counsel to represent me at such a hearing at no cost to myself if I am not able to retain counsel of my own choosing.

I hereby voluntarily waive my statutory right to a hearing and to assistance of counsel. I also agree to the following modification of my Conditions of Supervised Release:

You will participate in a Three (3) Month Residential Re-entry treatment program approved by the United States Probation Office, which program may include testing to determine whether you have reverted to using drugs or alcohol. You must contribute to the cost of services rendered based on your ability to pay and the availability of third-party payments. The Court authorizes the release of available drug treatment evaluations and reports, including the presentence investigation report, to the substance use disorder treatment provider.
